

## *The Datai Signature Cocktails*

*Experience our selection of handcrafted signature cocktails inspired by the bounty of nature around us and evoking hints of nostalgia with subtle flavours reminding us of childhood memories.*

*The artistry of these recipes lies in their freshly grown local ingredients; house-made aromatic bitters, and premium liqueurs; perfectly balanced with the subtlety of fragrant herbs and flowers grown at The Garden.*

*Our expert mixologists have used different methods to bring out the flavours that will best complement each cocktail, from sous-vide that allows to amplify the true flavours beyond the ability of traditional infusion techniques, to building on the aroma of a herb by laying it on a bed of ice.*

*The concept of these specially curated concoctions is based on Malay culture, blending authentic impressions that can be found walking down traditional village paths with delicate floral embellishments; savour the complex tangy taste of local calamansi citrus, or the warming sensation of a hint of vanilla extracted from the pandan tree, and delight all your senses.*

*Browse through our signature cocktails and embark on a journey of new taste sensations, carefully curated and with their very own unique The Datai twist.*
