

WELCOME TO YOUR GASTRONOMIC JOURNEY

The 9-course Degustation Dinner by Chef Chai represents a gastronomic journey, traversing his inspirations and influences from near and far. Chef Chai's culinary style can be described as a combination of contemporary European haute cuisine with cross-cultural techniques and the sensibilities of the Asian palate. This menu embodies a further evolution of his cuisine, effectively creating a unique signature style with verve.

The Degustation menu is expertly paired with a selection of fine wines and champagne, handpicked from the resort's own wine cellar by our Resident Sommeliers.

“ At The Dining Room, the cuisine is inspired by the locavore movement. Where possible, we use the bountiful produce grown locally and responsibly.

The wine cellar holds one of the most extensive collections of old and new world wines in the region. Recognized every year with the prestigious Wine Spectator award, the cellar showcases more than 450 labels of the most discerning vintages, directly imported exclusively for The Datai Langkawi.

The inspiration behind the menu is Langkawi island, as Chef Chai states: *“At The Dining Room, the cuisine is inspired by the locavore movement. Where possible, we use the bountiful produce grown locally and responsibly, nurtured by the terroir of the lands surrounding the Andaman Sea and their rich history of culinary traditions, peoples and cultures.”*

Chef Chai brings with him an impressive range of experience working at critically acclaimed restaurants around the globe, including the 2 Michelin-starred restaurant ABaC in Barcelona and the 3 Michelin-starred Oud Sluis in The Netherlands.

He also honed his craft at Santi in Singapore, the first restaurant outpost in Asia of late 3 Michelin star Chef Santi Santamaria. Most recently, he was the Founder and Head Chef of Copper restaurant in Kuala Lumpur. Chef Chai has a unique ability to infuse experimentation with expertise and ingenuity with craft.
