

The Datai Signature Cocktails

Experience our selection of handcrafted signature cocktails inspired by the bounty of nature around us and evoking hints of nostalgia with subtle flavours reminding us of childhood memories.

The artistry of these recipes lies in their freshly grown local ingredients; house-made aromatic bitters, and premium liqueurs; perfectly balanced with the subtlety of fragrant herbs and flowers grown at The Garden.

Our expert mixologists have used different methods to bring out the flavours that will best complement each cocktail, from sous-vide that allows to amplify the true flavours beyond the ability of traditional infusion techniques, to building on the aroma of a herb by laying it on a bed of ice.

The concept of these specially curated concoctions is based on Malay culture, blending authentic impressions that can be found walking down traditional village paths with delicate floral embellishments; savour the complex tangy taste of local calamansi citrus, or the warming sensation of a hint of vanilla extracted from the pandan tree, and delight all your senses.

Browse through our signature cocktails and embark on a journey of new taste sensations, carefully curated and with their very own unique The Datai twist.
